

Updating your BeAScout.org Pin

Your BeAScout.org pin is very important when it comes to recruiting new members. It is usually the first step in those looking for a unit and can provide basic information about your unit. This guide will help you enable and update your BeAScout.org pin. Note: You must be one of the Key 3 or a delegate.

Other Options for Membership/BeAScout.org

There are a few more options you can enable, tweak, for your units.

Under the Settings Tab

Membership Application Approval

Select who has the ability to accept (approve) applications for your unit. Note: this applies only to adult applications

- Chartered Org Representative Approval Required
- Committee Chair Recommendation and Chartered Org Representative Approval Required

Youth Applications

- Automatically Accept Youth Applications to this Unit.

Adult Applications

- Allow Adult Applications

Types of Youth Applicants This Pack Accepts

- Girl Only
- Boys Only
- Both Boys and Girls

If you want to allow adult applications to be submitted online, you can enable this here. Check the “Allow Adult Applications” and select who can approve those adult applications, Committee Chair AND your Chartered Org Rep (COR), or just the COR.

If you have allowed Scouts to apply online, you can enable auto acceptance of their application here, as well as well if you are a single gender or family unit.

If you scroll down, you can also have the system auto send a “Welcome Email” when an application is accepted. In that email you can put a little bit more information, like any fees, meeting times, etc.
